EISQUELL RIESLING TROCKEN 2025

THE WINE

The Eisquell Riesling comes from the chalky slopes of the Zellertal around Hohen-Sülzen in the Wonnegau.

VINIFICATION

Spontaneously fermented in steel tanks and double piece barrels, the Gutsweine are the calling card of our winery and the entry point into the quality pyramid of our premium wines. With this Riesling, you already have the complete philosophy and signature of Battenfeld Spanier in your glass. We pay the same attention to our Gutsweine as we do to our First and Great Sites.

TASTE

The wine pours clear and shimmery pale yellow into the glass. In the nose, notes of stone fruit redolent of white peach, yellow plum and Mirabelle plum. Bookended with fresh kitchen herbs, it is also underscored with a delicate saltiness. Clarion and chiseled, the palate mingles fruitiness, minerality and texture with crystalline drinkability. Our Eisquell Riesling is a delightful companion with everything from a simple sandwich to light everyday fare.
