The 2018 Nieder-Flörsheim Frauenberg Riesling GG is clear and crunchy on the nose, very pure and stony and with bright rather than yellow fruit aromas. Concentrated yet fresh and, again, pure and with lots of salt. Very intense and tight on the silky, highly refined and purely mineral palate, this is an exciting and challenging Riesling with endless salinity and finesse but also complexity and grip. This is a great wine and certainly a long-distance runner that needs our patience. Tasted at the domaine in March 2020.

The 2018 Hohen-Sülzen Kirchenstück Riesling GG is very precise and clear on the flinty and crunchy nose. Intense and charmingly round and rich, this is a tight and well-structured Kirchenstück that is cooler than the 2017. On the palate, this is very salty, finessed and full of tension, which is a good balance to the richness and power. Excellent. Tasted at the domaine in March 2020.

The 2018 Hohen-Sülzen Riesling is pure, fresh and concentrated on the refreshing lemon-scented and chalky nose. Pretty intense and attractive. Juicy, round and powerful but fresh and refined on the palate, this a mouthful of Riesling with fine tannins and a long and powerful finish. Tasted at the domaine in March 2020.

The 2018 Mölsheim Riesling unites the fruits from the Frauenberg, Schwarzer Herrgoot and Silberberg and opens with a pure, intense and very mineral bouquet with notes of crushed flint stones. Great precision and definition. Silky and very elegant on the first palate, this is a firmly structured, still untamed but long and complex dry Riesling that is made for Riesling freaks and the long distance. Very pure and salty and very, very promising. Tasted at the domaine in March 2020.

The 2018 Zellertal Kreuzberg Riesling is clear, intense yet discreet on the nose, with ripe and concentrated fruit and delicate sur lie aromas. Very intense and concentrated on the palate, this is a powerful and rich but fine and very mineral Kreuzberg with fine tannins and lots of extract. However, it's not quite as thrilling as the 2017. Tasted at the domaine in March 2020.

The 2017 Mölsheim Zellerweg Am Schwarzen Herrgott Riesling GG is coolish and flinty on the precise, fresh and reductive nose that is less open or generous than the Kirchenstück. On the palate, this is a crystalline, salty-piquant, super tensioned and sustainable dry Riesling with grip and loads of crushed stones and salts. Lemon fresh and aromatic on the finish. Impressive wine. Tasted at the domaine in March 2020.

The 2017 Hohen-Sülzen Kirchenstück Riesling GG is intense, fine and flinty on the elegant and complex nose. Full-bodied, this is a juicy, intense, creamy-textured, very elegant, refined and balanced Riesling that was pressed without a longer maceration after three or four hours. The finish is intense and very long and reveals crystalline grip and mineral tension. The wine has already started its maturity phase but very slowly. Tasted at the domaine in March 2020.

From very low yielding vines on rocky terroir, the 2017 Zellertal Kreuzberg Riesling is quite open and fresh on the bright and chalky nose. On the palate, this is a dense and concentrated, very complex and powerful Riesling with a very long and salty, finely tannic finish. Very complex and long. The German answer to Armin Tement's Zieregg? Aged in an old 600-liter halbstück vat. Tasted at the domaine in March 2020.
