RIESLING RÉSERVE VOM KALKSTEIN 2018

Origin and time perfectly define this Réserve wine. Selectively harvested by hand and spontaneously fermented, the wine is

We leave it on the fine lees until the harvest of the following year, before it is bottled.

2018 was a year of superlatives: the stable, dry high-pressure weather with lots of sunshine over the summer months also shaped the picture in our vineyards. The dry phases demanded everything from the vines. Once again, it proved to be a costly but very effective measure that we spread thousands of straw bales in the vineyards in spring to provide good shade for the soil and to counteract evaporation.

This expressive Riesling grows on the barren, chalky steep slopes of the Wonnegau around Hohen-Sülzen and the Zellertal, which give it its name. Fine peach scent, yellow fruity on the palate, delicate herbal nuances, animating acidity and fine minerality - Already in the nose, the wine exudes a ripe In the mouth, the aromas of mirabelle plums are found again, accompanied by a wonderful juiciness. The unique minerality and the precise style make the wine complex, exciting and enormously stimulating to drink. The mouthfeel is refreshing, accompanied by a long finish - a Riesling, lively and animating.
