RIESLING RÉSERVE VOM KALKSTEIN TC 2021

ORIGIN AND VINIFICATION

This expressive Riesling grows on the barren, chalky steep slopes of the Wonnegau around Hohen-Sülzen and the Zellertal, which give it its name. Selectively harvested by hand and spontaneously fermented. We leave it on the fine lees until the harvest of the following year, before it is bottled.

VINTAGE

Classic Riesling vintages such as 2002 and 2004 are quite comparable to the weather conditions of 2021. They produced extremely long-lasting and lively Rieslings, which developed a very elegant and classic aroma profile due to the long ripening period on the vine.

AGEING CELLAR

Our ageing cellar, built into the mountain and with characteristics similar to those of a natural cellar, is used exclusively to allow bottled wines to mature and develop over an extended period under ideal conditions. Every wine that leaves the winery after years of ageing is given the 'Treasure Collection' label to document the perfect treatment of the bottles. This is how the vision of H.O. and Carolin Spanier unfolds, to decelerate the enjoyment of wine and, after focusing on the vineyard's provenance, to make time and maturity tangible again.

TASTE

Fine peach scent, yellow fruity on the palate, delicate herbal nuances, animating acidity and fine minerality. The unique minerality and the precise style make the wine complex, exciting and enormously stimulating to drink. The mouthfeel is refreshing, accompanied by a long finish.
