HOHEN-SÜLZEN RIESLING TREASURE COLLECTION 2021

VDP. ERSTE LAGE

In Rheinhessen, the grapes for the VDP.Erste Lage wines come from first-class sites with a long history. They are the ambassadors of the respective villages and combine strictly selected grapes with excellent and strictly defined origins. The characteristic soils of the VDP.Erste Lage give the wines their unmistakable and independent character of origin.

ORIGIN & VINIFICATION

Hohen-Sülzen is located in the Eisbachtal. The mountain stream rises from the Donnersberg massif and has a significant climatic influence on the valley. The amplitude between day and night temperatures is large in Hohen-Sülzen. As a result, the wines retain their freshness, elegance and tension despite the high grape ripeness. The vines grow on pure limestone with a generous layer of limestone gravel and are characterised by their ripe fruit, delicate spiciness and filigree acidity. The wine was selectively harvested by hand, fermented spontaneously and aged in double piece barrels.

VINTAGE

Classic Riesling vintages such as 2002 and 2004 are quite comparable to the weather conditions of 2021. They produced extremely long-lived and vibrant Rieslings that were able to develop a very elegant and classic aroma profile thanks to the long ripening period on the vine.

AGEING CELLAR

Our ageing cellar, built into the mountain and with characteristics similar to those of a natural cellar, is used exclusively to allow bottled wines to mature and develop over an extended period under ideal conditions.

Every wine that leaves the winery after years of ageing is given the 'Treasure Collection' label to document the perfect treatment of the bottles.

This is how the vision of H.O. and Carolin Spanier unfolds, to decelerate the enjoyment of wine and, after focusing on the vineyard's provenance, to make time and maturity tangible again.

CAPACITY
0,75 L

ALCOHOL
12,0 % VOL.

ACIDITY
8,5 G/L

CLOSURE
CORK

SWEETNESS
1,0 G/L

GRAPE VARIETY
RIESLING
