### EISQUELL RIESLING TROCKEN 2023

Eisquell Riesling is our estate's calling card, produced from selected Riesling grapes from the steep calcareous sites of the Zellertal that surround Hohen-Sülzen in the Wonnegau. Our estate-level Gutsriesling is wild fermented in large used Doppelstück and stainless steel barrels and left on the lees until spring. Eisquell Riesling is the gateway to the quality pyramid for the premium wines at BattenfeldSpanier.

The wine pours clear and shimmering pale yellow into the glass. In the nose, notes of stone fruit redolent of white peach, yellow plum and Mirabelle plum. Bookended with fresh kitchen herbs, it is also underscored with a delicate saltiness. Clarion and chiseled, the palate mingles fruitiness, minerality and texture with crystalline drinkability. Our Eisquell Riesling is a delightful companion with everything from a simple sandwich to light everyday fare.

CAPACITY  
0,75 L

ALCOHOL  
12,0 % VOL.
