CLOSURE
STELVIN

ALCOHOL
12,0 % VOL.

SWEETNESS
0,9 G/L

ACIDITY
5,6 G/L

MATURATION
STAINLESS STEEL

'Green Sylvaner,' as the Silvaner grape is called here in southern Rheinhessen, is an important variety to us, right alongside Riesling. Silvaner enjoys a 100-year-old tradition in the Wonnegau.

While Riesling plays with delicate fruit aromas, the Silvaner charms with florality. The nose opens with aromas of freshly mown summer meadow, hay and gentle accents of fresh thyme.

The sleek and concentrated palate delivers a stunning drinkability, while its well-integrated acidity ensures both intrinsic tension and a long finish.

Our estate-level Sylvaner is amazingly food-friendly, as its quiet spectrum of aromas is more versatile than the intensity and fruit of Riesling.
