0,75 L

CLOSURE
STELVIN

ALCOHOL
12,0 % VOL.

SWEETNESS
3,6 G/L

ACIDITY
5,5 G/L

MATURATION
STAINLESS STEEL

This primarily steel-aged Weissburgunder (80% stainless steel / 20% large barrel) delivers incredible freshness.

With its delicious dry accents, it is an exceptional companion to a wide variety of fare.

The Weissburgunder is known as the most fruit-driven of the Pinot varieties, with fragrant notes of pear and quince in the nose. These are joined by delicate nutty aromas that lend depth and earthiness. Transparent and focused on the palate, the balanced body and acidity give the wine a deliciously drinkable character.

An elegant Weissburgunder loaded with depth and concentration.
