Weissburgunder R (for “Reserve”) is a selection of our best Pinot Blanc grapes from the district around Hohen-Sülzen and the Rheinhessen portion of the Zellertal. We produce our Weissburgunder R in the same way as the wines from Erste Lage and Grosse Lage classified vineyards.

Ripe, healthy grapes are first handpicked and then selected manually on the sorting table. The wine is fermented and aged in used French tonneaux (500 L) barrels, where it rests on its fine lees until Easter of the year following harvest. This short barrel aging maintains the wine’s freshness, while still imparting a gentle barrel kiss.

The Pinot’s expressiveness, dominated by elegant peach aromas, is enhanced with delicate barrel notes that give the wine structure and longevity. Its creamy texture and long finish further complement the remarkable taste profile of this premium wine.
