# WEISSBURGUNDER RÉSERVE 2024

## WINE

The Pinot Blanc Réserve is a selection of the best Pinot Blanc grapes from the Wonnegau region. Like all our Pinot varieties, the vines benefit from the calcareous soils with a high proportion of lime marl and lime gravel.

## VINIFICATION

The must is fermented spontaneously in three-year-old tonneaux and then matures on the fine yeast until May before being bottled. This allows the wine to retain its distinctive freshness, delicately framed by subtle wood notes.

#### TASTE

Each pour glistens from the glass in shades of pale yellow, with notes of crisp stone fruit, white flowers and fresh kitchen herbs. A creamy palate with good structure and delicate fruit, the subtle barrel spice speaks well to its incredible cellarability. The juicy palate reveals flavors of fresh fruit and a long, delicately spicy finish. It elevates daily pasta as well as oven-baked autumn veg and light fish dishes. Insider's tip: we personally consider the Weissburgunder Réserve to be the perfect kitchen sipper!
