VDP.GROSSE LAGE

In these wines, the idea of origin is taken to the highest level of quality. They come from world-famous vineyards that produce extraordinary grapes and have been recorded in centuries-old maps. They inimitably reflect the unique character of the site, the special nature of the soil and the great skill of those who have been familiar with the vineyard for many generations.

HISTORY

The site was first mentioned in a document in 1297 as 'iuxta Kirchenstück', a plot of land intended to provide food for a monastery kitchen.

ORIGIN

Located at 150 metres in the middle of a plateau between two churches, it overlooks H.O.'s home town. The Pliocene soils are interspersed with limestone banks and, due to the Hohen-Sülzer Kessellage, daytime temperatures are always a little higher than in our sites in the Zellertal. The overlay consists of soft, calcareous stone and provides the vines with excellent nutrition.

VINIFICATION

The Kirchenstück wines are carefully selected by hand, fermented spontaneously and aged in casks.

TASTE

On the nose, the wine alternates between juicy fruit and stimulating herbal spices of brook mint and lemon thyme. Its herbal-tart character is complemented by yellow- and red-fruity aromas: fully ripe yellow apples and quince, with a hint of nectarine. Complex and profound, it flows confidently and straightforwardly into the citrusy, salty-tart finish.
