NIERSTEIN RIESLING KABINETT 2024

ORIGIN AND VINIFICATION

The terroir as the tasteable origin of this quality wine is rooted in the stony, porous soil layers of the red slope near Nierstein. The Niersteiner Riesling with its unmistakable character of origin shines with extract-rich fruit, open structure and taut tension with the greatest possible finesse and vibration. The healthy grapes for this Niersteiner Kabinett are harvested by hand, carefully selected and spontaneously fermented in steel.

TASTE

The Nierstein Kabinett has a wonderful aroma of yellow fruits such as nectarines, some citrus, ripe yellow apples and white almonds. Beneath the fruit lies a distinct saline minerality reminiscent of wet chalk. The fruit is taut on the palate, but is quickly accelerated by the powerful minerality, which gives it its slightly salty character and makes it a quick drink.

A cabinet for everyday enjoyment, as an aperitif or with crisp salads with fruity dressings. An uncomplicated all-rounder for those who love fruity pleasure.
