BARRIQUES

Our estate-level wines set the stage for our entire program, offering a beautiful and consistent benchmark of each vintage and variety. The reds are wines of charm and cheer, never reliant on excessive complexity.

The grapes for our Spätburgunder thrive in the limestone-laced vineyards in Bodenheim and Oppenheim, whose warm, fertile soils provide the vines with a perfect dose of nutrients.

This dry Gutswein is a quintessential example of a splendid Spätburgunder: 20 months' maturation in large barrels and barriques, wrapped in delicate, dark berry fruits and brimming with spice and powerful aromas.

These dark aromas are rounded out with elegant hints of coffee. A near perfect pairing with rich meat dishes such as oxtail ravioli or game.
