In 2006, we named this Riesling for the most famous wine village on the Rhine Terrace, in this district where we have a majority of our vineyards.

We believe that Nierstein has a sense of place so distinctive that it expresses itself unmistakably in the wines - a phenomenon typically called 'terroir' nowadays. And our success has proven us right. Nierstein Rieslings encapsulate the highest of highs that make Rhine wines so renowned: the extract-rich Riesling grapes deliver body and mouthfeel, while the stony porous clayey slate soils convey elegance and tension.

The Nierstein Riesling is the gateway to the world of Kühling-Gillot terroir wines. The combination of a late and highly rigorous vineyard selection and ideally ripened berries makes for enticing and elegant fruit aromas, delightful juicy character and extract and enormous complexity. A benchmark for the Roter Hang in Nierstein. The VDP classifies the vineyards of its members, with the finest divided into "Grosse Lagen" and "Este Lagen" sites. Starting with the 2018 vintage, the Nierstein Riesling will bear the VDP. AUS ERSTEN LAGEN classification, as only grapes from classified Erste and Große Lagen sites can be used in this wine.
