

KÜHLING-GILLOT

VDP.GROSSE LAGE HIPPING RIESLING 2023

95/100

...Yarrow, chamomile and tansy are all suggested in its glorious herbal lift, accompanied by ripe Amalfi lemon zestiness. The palate has immediate fluidity and moves with dynamism and energy, pushing forward with savory lemon vivaciousness. So fluid, so full, yet so light. (Bone-dry)

VINOUS, ANNE KREBIEHL

97/100

The pineapple has a pretty face but a beautiful soul, and that's what this extremely graceful dry riesling introduces you to. If anyone tells you that dry riesling is tart, you need to show them this masterpiece of silky elegance. A delicate grapefruit freshness is interwoven into this and lifts the finish so beautifully.

JAMES SUCKLING, STUART PIGOTT

HIPPING RIESLING 2023

VDP. GROSSE LAGE

In these wines, the concept of origin is taken to the highest level of quality. They come from world-famous vineyards that produce extraordinary grapes and have been recorded in centuries-old maps. They reflect inimitably the unique character of the site, the special nature of the soil and the great skill of those who have been familiar with the vineyard, often for many generations.

HISTORY

The first documented mention of Hipping can be traced back to 1550, as the "Hupbuhl." It is presumed that this site was once a grazing meadow for goats. 'Hippe' means goat and 'Buhl' means hill in the local dialect.

ORIGIN

Like a parabolic mirror, our two parcels come together at the highest point of the Hipping and, with their north-east and south-west slopes, resemble a small, natural amphitheatre. As one of the world's most unique terroirs, the Hipping has a special microclimate: situated at 80-174 metres with a gradient of 60-120%, it enjoys unrestricted sunshine. Its barren primary rock soils, around 280 million years old, store the warmth of the day, while the cool night winds from the side valley maintain the acidity.

VINIFICATION

The grapes are carefully selected and harvested by hand, the must ferments spontaneously and is carefully matured in 1200-litre casks.

TASTE

It has a stone fruit aroma with spicy accents reminiscent of sesame and green tea. It quickly builds up enormous pressure on the palate and combines its juicy fruit with distinctive spiciness and a viscous feel. A complex and refined wine with a cool finish and remarkable length.
