## PETTENTHAL RIESLING 2024

### VDP. GROSSE LAGE

In these wines, the concept of origin is taken to the highest level of quality. They come from world-famous sites that produce extraordinary grapes and have been recorded in centuries-old maps. They reflect inimitably the unique character of the site, the special nature of the soil and the great skill of those who have been familiar with the vineyard, often for many generations.

### HISTORY

The cadastral name has existed since 1753.

### ORIGIN

The Pettenthal is our first historical vineyard on the Roter Hang and lies at an altitude of 80 - 170 metres. With a slope of 70-100%, it is the steepest parcel in all of Rheinhessen. At the end of the 80s, in times of greatest depression, Carolin's father bought a few rows of vines. At that time, it was the hectare that counted, not the origin, and the Pettenthal was difficult to work. Today, we cultivate the Pettenthal in the prime section of this globally unique origin, which then, as now, stands unchallenged as a great terroir for Riesling. The soils of this Grosse Lage consist of red clay slate and sandstone on the steep slope and of loam and clay in the flatter part.

### VINIFICATION

The grapes are carefully selected by hand, the must ferments spontaneously and is carefully matured in casks.

### TASTE

Grown on the clearly perceptible red sandstone, stony notes dominate, along with distinctly spicy aromas of pepper and dried herbs. It has a compact and powerful initial taste, with a creamy texture and viscous feel. The Pettenthal builds up immense tension on the palate, pulsating forward and cumulating into a powerful bass in the aftertaste.
