NIERSTEIN RIESLING KABINETT 2023

Growing in the porous stone soil of the Roter Hang near Nierstein, this Prädikat wine offers quintessential proof that origin can be equal parts relished and recognized. The Nierstein Riesling gives unmistakable voice to its origins, with concentrated fruit, an agile structure and thrilling tension, underscored by incredible verve and finesse. As with our dry Nierstein wines, the healthy grapes for this Nierstein Kabinett come exclusively from our finest parcels, with hand harvests, meticulous selection and wild fermentation in stainless steel.

The Nierstein Kabinett tantalizes with aromas of yellow fruit such as nectarine, a bit of citrus, ripe yellow apple and white almond. A distinctive saline minerality redolent of wet chalk lurks beneath the fruit. Starting with the initial sip, the austere fruit moves quickly across the palate carried on a wave of punchy minerality that lends it a slightly saline character as well as its mouthwatering drinkability.

A Kabinett for life's daily joys, as an aperitif or to accompany crisp salads with a fruit dressing. An uncomplicated all-rounder for friends of fruity delights.
