A quintessential Riesling Kabinett: low alcohol, mild sweetness and taut structure. The Nierstein Riesling Kabinett comes exclusively from VDP-classified Grosse and Erste Lage vineyards in Nierstein. The grapes for this wine are hand harvested at the point of optimal ripeness and health. Once back in the winery, they are afforded the same care and meticulous hand selection as the fruit for our village and single site wines.

The distinctive red clayey slate minerality of Nierstein expresses itself in yellow fruits and a supple creaminess. The saline backbone is wrapped loosely with a fruity ribbon, and despite the low alcohol the finish is both long and complete. A lithe and dancing Kabinett, made with respect to a century of tradition.
