BATTENFELD SPANIER

„The freshness achieved in the Kühling-Gillot collection from the Red Slope is a standout in 2025.“ **Vinous, Anne Krebihl**

„Even taken on it’s own, looking at Kühling-Gillot & Battenfeld Spanier together across three regions and two grape varieties, H.O. Spanier’s achievement is so impressive that all you can do is take your hat off to him.“ **Originalverkorkt, Christoph Raffelt**

„In my view, Carolin and Oliver Spanier have created the best collection not only in Rheinhessen, but in the whole of Germany.“ **The Art of Riesling, Max Kaindl**

“The contrast between the limestone of Battenfeld Spanier and the red slate of Kühling-Gillot was also clear, with the former showing creaminess, as evidenced by such wines as the Battenfeld Spanier Riesling Frauenberg GG 2025 (98), and the latter spice and nerve, as shown in the 100-point Kühling-Gillot Riesling Rothenberg Wurzelecht GG 2025.” **James Suckling, Ryan Montomery**
