BATTENFELD SPANIER

'When this winery was first mentioned in the Wine Guide 20 years ago, no one would have bet that around 15 years later it would be one of the world's best Riesling producers.' It is no longer news that H.O. put the Zellertal back on the map. He recognised its extraordinary value early on. In 30 years of hard work, he has developed the best sites and plots.' VINUM 2026

'The Hohen-Sülzen winery is going from strength to strength. Even the 2024 vintage, which was not exactly easy in the vineyard, was mastered here in such a way that one could assume a carefree growing season.' FALSTAFF 2026
