2022 Zellerweg Am Schwarzen Herrgott Riesling – VDP.Grosse Lage

Aromatically, the wine seems downright dark, in keeping with the lag name. It brings a smokiness and saltiness to the palate that lingers long. The aromas range from citrus notes to dried herbs. The acidity is vibrant and quite demanding, at the same time very finely incorporated. Overall, a wine with spectacular dramaturgy. This is the great signature of Hans-Oliver Spanier in a wine of enormous power that leaves one reverent.

A slender but tight...
